ELECTIVE SUBJECTS (OPEN TO ALL)

Free Choice

International Certificate of Education (ICE): Awarded to students who have taken atleast 7 subjects with 2 from Group 1 and 1 from each of the other groups + 1 other free choice from any group.

* The IB Class is intended for International Students and students who would like the option of continuing their studies in English. We see this as a two year class i.e 9th followed by 10th Grade. Proposed start-up year 19/20

The Cambridge Class is for both 9th and 10th Grade who wish to study in English and have a choice of either a Danish or English further education.

The Electives are for students who have an interest area,perhaps to do with their Linie,and would like an academic qualification.

Danish will always be offered as an Exam subject but has to be studied by all.
